Commissioner for Patents

- 1) Please see the enclosed Notice of Non-Compliant Amendment, and the further explanation thereof below.
- 2) The amendments to the specification filed May 1, 2007 do not comply with 37 CFR 1.121(b) because applicant has not properly illustrated all changes relative to the prior version of the amended paragraphs. In particular, it is noted that the text provided for amended paragraph differs completely from that of the prior version of that paragraph (without changes being illustrated); it appears that the text identified as paragraph 66 may correspond to paragraph 68. Further, it is noted that multiple paragraphs on page 28 of the specification are identified by the paragraph number "100." Thus, further identification of the amended paragraph is required.
- 3) The amendment to the claims filed on does not comply with the requirements of 37 CFR 1.121(c) because a) applicant has not provided the correct status identifiers for all claims (see, e.g., claim 24, which contains amendments but which is identified as "original"); and b) the claims include changes not properly illustrated by markings (see, e.g., claim 41, in which text has been added in the first line of the claim without being indicated by underlining).
- 4) Since the reply filed on May 1, 2007 appears to be bona fide, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to submit an amendment in compliance with 37 CFR 1.121 in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
- 5) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Diana B. Johannsen whose telephone number is 571/272-0744. The examiner can normally be reached on Monday and Thursday, 7:30 am-4:00 pm.
